## THE CITY NEVER SLEEPS. NOW IT WILL SHINE ALL NIGHT LONG.

The 21st-century skyline of South Mumbai deserves a striking landmark that pierces the blue sky, a true embodiment of the MICL logo. Almost ethereal yet prominently visible above the city, this icon features a distinctive blue-tinted smart glass façade that mirrors the sky's hues by day.

As night descends, the building transforms into a mesmerising spectacle. Inspired by the iconic Burj Khalifa, intelligent lighting panels come to life, illuminating the structure with dazzling displays that unfold in a captivating choreography, enhancing the city skyline's nocturnal allure.

Shreepati Group is a leading Real Estate Company in South Mumbai. The innovation-led, future-focused company was established in 1984.

The company continues to remain a major real estate player in Mumbai since its entry into the sector in 1987. Since then, the group has undertaken redevelopment projects of several old and dilapidated buildings with a cluster approach, constructing high-rise residential towers with commercial complexes in South Mumbai.

Having completed more than 10 million square feet of construction, the company today has more than 20 mega projects in the pipeline and is being recognised as a High Rise Developer having put up three high-rise towers, each over 35 storied structures.

Shreepati Group plays an important role in keeping with the government's vision for the future; a role that will see it change the Mumbai skyline forever, and that is just the beginning of Shreepati Global.
